

5 IMPORTANT ITEMS TO REMEMBER BEFORE YOU TRAVEL TO THE AIRPORT

Face Mask

Ticket or Mobile Boarding Pass

ID/Passport/
Driver's License

Completed Health Questionnaire

Inflight Magazine on your mobile

For your forms and permits go to www.flyairlink.com

PARKING AND DROP OFF

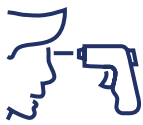

You may park your vehicle or drop off/pick up in the parking facilities. You are also required to enter the terminal through the parking facilities. Note: only passengers may enter the terminal.

ARRIVE EARLY

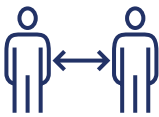

We recommend you arrive two hours before your flight to complete the formalities and to ensure that you are not rushed.

ENTERING THE TERMINAL

Show your completed Health Declaration forms to the Port Health officials. Port Health will perform a temperature scan.

Social distancing must be adhered to inside the terminal. Floor stickers will indicate distancing and perspex screens have been installed at check-in and ticketing counters.

Check-in counters or self check-in facilities. You may proceed to the Airlink check-in counters if you have not already checked in for your flight online (www.flyairlink.com). If you have checked in online and have checked baggage, proceed to the bag drop-off counter. You may also use the self check-in kiosk and the bag drop counter.

PROCEED TO THE SECURITY CHECK POINT

Customers are required to self-scan their boarding pass or mobile device to clear through security.

CATERING AND INFLIGHT MAGAZINES

We offer complimentary snacks and a choice of beverages on board all of our flights.

You may [download](#) your free copy of the inflight magazine Skyways.

skyways

BOARDING & ON THE AIRCRAFT

The boarding procedure will be managed by an Airlink staff member.

From an Air Bridge – Passengers seated at windows will board first, followed by aisle-seated passengers.

Bussing – Passengers seated at windows will board first, followed by aisle-seated passengers.

ON THE AIRCRAFT FOR YOUR COMFORT AND SAFETY

Aircraft interior items such as seats, windows, armrests, tray table will have been wiped down and sanitized between flights.

You will be hand sanitized when you step on board.

The toilet area is wiped down during the flight so please be patient when having to use the toilet. Each passenger is given hand sanitizer after using the toilet.

DISEMBARKATION

Our flight attendants will make an announcement for passengers to disembark one row at a time from the front to back. We request your cooperation and patience as this is for your own safety.

WE TRUST THAT YOU WILL HAVE A PLEASANT JOURNEY
