

Step 1:

To help speed up the registration process at the front of our queue, please pre-register your personal information:

Scan here to pre-register
or visit
www.nextpath.co.za

Step 2:

The admin staff will take you through the test options and register you for the required test. You will simply provide your ID/Passport number and the information you pre-registered will pull through.

Step 3:

Payment will be made as per test selection.

Step 4:

The nurse will take sample in order for test to be completed.

Step 5:

Result will be sent via sms and email.
